Hi, Rarity!
Rainbow Dash? Applejack? What are you darlings doing here?
Well, we just hear you playing a song on your piano, and you sounded so good.
Thanks. Tonight's the night I'm playing a song at the Big Canterlot Piano Recital in our school. And I'm a little bit nervous. Because what if I get a stage fright?
Well, Rarity, you've practiced and practiced, and are totally prepared for the show. You'll do great.
Yep, and we're already spreading the word to our friends so they'll know you're playing at the recital.
Perfect! Now if you'll excuse me, I'm gonna go practice my song even more.
OK!
See you later!

Yeah. Everyone is counting on you. Like how you were winning against Sour Sweet at the Pageant, now it's time for you to do what's best for you.
(Rarity) Thanks, darlings. I won't let my friends down.
OK, Rarity. You're next after Sour. Good luck!
Thanks, Flash.

PIANO RECITAL
(Rarity) *plays opening chord*
(Rarity)
Sitting here with my head in my hands,
Ideas that come and go,
Sketching my heart out, nothing will turn out,
Everything seems so-so
(Rarity)
I've been here before,
and I know that I can,
Do it if I try,
But why, oh, why,
Do you stumble before you fly?
(Rarity)
My wheels keep turnin',
My fire's still burnin',
'Cause right now I'm learnin',
How to get to the other side
(Rarity)
It's a game of waitin',
Anticipatin',
But I keep creatin',
So I can get to the other
Get to the other side
(Rarity)
Get to the other side, hey!
Get to the other side, hey!
So I can get to the other,
Get to the other side.

YAY

Rarity, you were amazing at this concert! You were a star!
Thank you, darlings. You know, getting a stage fright is okay, as long as I keep practicing.
Yeah! We were very impressed about it!
Practicing really is the key to managing those nerves.
I knew you had it in you!
And so, Rarity has overcome her stage fright, and won a trophy. And that's how musicians like her can overcome their stage frights.
Rarity, I have no words to say, but you were very bravo. You were using your skills, and you've practiced. Congratulations.
Aw, thank you, Sour.
It was great seeing you there too, Sour.
Well, I enjoy quality performances.
The end!
See y'all next time!
